The Lancaster is a classic 2-story filled with modern appointments like 9-foot first-floor ceilings, white colonist trim, double bowl sinks in the primary bath, a kitchen pantry, and more. With 2,115 square feet of living space, 4 bedrooms and 2-1/2 baths, it has room for most households. The kitchen is the heart of the home while the oversize great room is comfortable for everyday activities as well as get togethers plus there's a flex space that can serve as an office or homework station. This Lancaster is upgraded with an expanded basement, too.
