### 6004 Wexford Way

**\$401,225**

With a 4th bedroom, 9-foot first-floor ceilings, an expanded basement, and double-bowl sink in the primary bath, the Lancaster is the perfect combination of function and elegance. This 2,115-square-foot 2-story includes an oversize great room for everyday activities plus a separate dining room for more formal entertaining. Also on the first floor is a flex space that can be used for remote working, homework, as a library, study nook, or more. It's no wonder that the Lancaster is one of Providence Homes' most popular home designs.
