Say good-bye to climbing stairs with the 1,469-square-foot Camellia ranch, which offers convenient single-level living with 2 bedrooms, 1-1/2 baths and a 2-car garage. Enjoy the everyday in a great room that flows into the kitchen to create an open area ideal for daily household activity as well as get togethers. When you need a private place to unwind or work from home, there's a den. The owner's suite has a walk-in closet plus an additional closet along with its own personal bath. Options abound... a patio off the great room, a sunroom, third bedroom, second full bath, basement, and more...so you can personalize this plan for your needs.
