With 1,992 square feet, 3 bedrooms and 2 baths, the Saxony delivers desirable ranch living. The open-concept layout features the kitchen, breakfast area and great room all flowing into each other with ease. The primary bedroom, which has an en-suite bath and walk-in closet, is spacious and comfortable. Beyond the laundry room and foyer are the 2 secondary bedrooms, which share a full bath. A pantry in the kitchen and extra storage in the attached 2-car garage keep things out of the sight but within reach. 9-foot ceilings add the finish touch to this ranch.
